INT. RESEARCH FACILITY

GRANT BOOM (40s), aggressively macho and over-the-top right-wing, rains down both rockets, jokes, and his world views.

Gameplay starts.

One quip is added to the queue when the player enters a one-liner trigger box. Each quip can only be played once.

GRANT BOOM  
Rocket, paper, scissors...rocket  
wins.

GRANT BOOM (CONT'D)  
Ribbit for your pleasure.

GRANT BOOM (CONT'D)  
Your car just got toad.

GRANT BOOM (CONT'D)  
I heard you like toadstools. Let me  
give you a stool sample.

GRANT BOOM (CONT'D)  
Want to play leapfrog? I don't!  
That game sucks.

GRANT BOOM (CONT'D)  
Rockets are like salt. They flavour  
meat perfectly and frogs hate them.

GRANT BOOM (CONT'D)  
And those government snowflakes  
said rockets were the  
problem...crazy.

GRANT BOOM (CONT'D)  
I heard frogs taste like chicken.  
I'm not poor so I'll never find  
out.

GRANT BOOM (CONT'D)  
Croak time.

GRANT BOOM (CONT'D)  
(bad Italian accent)  
Frogget about it.

GRANT BOOM (CONT'D)  
Pray to your God, which I assume is  
a wart.
